| NARRATIVE (1) |
| Narrative Title: n/a Narrative Author: Warner , Joseph Narrative Date: 06/15/2022 08:20:36 Narrative Apparatus ID: n/a Narrative: Crews arrived on scene and began extinguishing fire to north exterior wall facing the original fire. Fire was knocked down within three minutes. Crews were then sent inside the home to check for extension and found that fire had traveled almost the whole length of the attic vent. Crews then overhauled and made sure that there was no more extension and fire extinguished. Utilities were shut off and secured. Occupants were then directed to find another place to stay for the night. |
